

A Moose That Says Moo

From jump-roping skunks to book-reading sharks, the animals in this girls make-believe zoo will do whatever she wants. Messing with nature is fun at first, until we see how hilariously wrong things go. Oinking otters! Picketing ground hogs! Stage-crashing pigs! What could be next? With deadpan text and eye-popping art, this raucous picture book builds gleefully to a riot of craziness that brings the whole fantasy tumbling down?in a comedic warning against imaginary menageries that kids will find hilarious.
