

Animal Colors

Discover the world of animals in a kaleidoscope of vibrant color! Enjoy animals from every color of the rainbow, then expand the concept with animals in amazing color combinations such as yellow and orange, orange and red, red and blue, blue and green, and more. ANIMAL COLORS is the first in a series of books integrating concepts such as shapes, numbers, and patterns with fascinating animals. From birds to beetles, fish to frogs, pandas to parrots, spiders to snakes, and dragonflies to dogs, color concepts have never been so much fun!
