

Cute! A Guide to All Things Adorable

The essential guide to the worlds favorite word, Cute! is peppered with sweet surprises, fun features, and delightful facts. Readers can use this books special Cuteness Checklist to figure out how adorable anything is! Humorous and written in a kid-friendly style, Cute! even reveals how pink was once considered a boy color. As for the puppy vs. the bunny, a cuteness rating chart at the end of the book lets readers come up with their own answers! What makes something cute? Do people in different countries agree on cuteness? Why do so many little girls want to be princesses? How come most little boys dont want to be princes?
