

Islam for Children (Muslim Childrens Library)

This popular classic is a must for all Muslim children, parents, and teachers. It covers the lives of the Prophets, faith, prayer, fasting, charity, pilgrimage, morals, and manners. Learning by doing is emphasized, with plenty of fun things to do for kids 6-12 years: picture puzzles, crossword puzzles, games, coloring, and crafts, making learning about Islam enjoyable and educational. Originally published in Germany, it has already been used successfully in both Muslim homes and weekend classes. The English version has been revised and carries new illustrations. Ahmad Von Denffer was born in Germany in 1949. He studied Islamic and Social Anthropology at the University of Mainz, where he also attended additional courses in the Department of Missiology. His special interests include Christian-Muslim relations. He has made a number of contributions to scholarly journals and has several publications to his credit. He joined the Islamic Foundation as Research Fellow in 1978 and is presently working with the Islamic Centre, Munich.
