

Jack and the Beanstalk (Lift-the-Flap Fairy Tales)

In Lift-the-Flap Fairy Tales: Jack and the Beanstalk, the traditional fairy tale is retold in irreverent, playful rhyme that's perfect for reading aloud, and brilliantly accompanied by Nick Sharratt's bright and vibrant illustrations. There are flaps to lift and pop-up surprises on every page: make the beanstalk grow up into the clouds, be brave and open the doors to the giant's castle, and watch his feet pop up out of the compost heap as he comes tumbling down from the sky! Includes a free audio CD read by Anna Chancellor, with two tracks: listen to the story alone, or follow along with the book by turning the pages when you hear the chime. Look out for Lift-the-Flap Fairy Tales: The Three Little Pigs!
