

## Percy the Fox

In the land of Thistledown lives Percy the fox, a young cub who is afraid of adventures. While his brothers and sister catch fish, pick berries, and explore the forest, Percy stays behind, too scared to venture far from the den. He even keeps his daredevil brother Joey at home for company when the others scamper off to the Green Circle for a night of stories and games. But when a mysterious Intruder attacks the den, will Percy overcome his fear and brave the Dark to rescue his brother?
