

Theres This Thing

A sweet and humorous Valentines Day story about a little girls first crush. In this charming tale, one little girl would love nothing more than to share her heart with a little boy she has a crush on, if only she could overcome her shyness and tell him how she feels. She tries everything she can think of to get him to notice her. But in the end, it turns out that she didnt have to do anythinghed noticed her all along. With its quirky humor and unique, child-friendly illustrations,Theres This Thing is perfect for fans of Oliver Jeffers, and for Valentines of any age.Praise for Theres This Thing:[A] refreshing reminder that it can be hard to ask for what we want, and that even introverts need love above all.New York Times Book Review[A] charming and inspiring story.Charlotte Parent
