A child, a visit to the zoo, animals--sounds like good, simple all-American fun. But theres something different about this zoo. These animals want things. Unusual things. What will they do with them? Laughs, jokes, and surprises abound in this graphic picture book about a feisty, all-too-helpful little girl and her role in aiding and abetting zoo-animal shenanigans. Adam Rex once again reveals the hilarious hidden life of creatures we thought we knew well.
