

Imagine a Day

Imagine a day when your swing swings you higher than the highest treetops. Imagine a day when you can ride your bike up a path of falling leaves into the very tree they are falling from. Imagine a day when you release a handful of blue balloons into a cloudy, gray sky to create a postcard-perfect day. Imagine a day when the ordinary becomes the extraordinary...a day when anything is possible. *Imagine a Day* is the companion book to the critically acclaimed *Imagine a Night*, which *School Library Journal* declared a fascinating foray into the imagination. Renowned Canadian artist Rob Gonsalves once again stretches the limits of visual exploration with his breathtaking paintings and encourages parents and children alike to look beyond the limits of the everyday world and imagine.
