

T-rex: Back To The Cretaceous, An I Max Book

Explore the dense jungles of prehistory with young paleontologist Ally Hayden as she journeys to the time when pteradons soared through the skies and the Tyrannosaurus rex reigned over the land. Based on the record-breaking Imax movie, T-Rex: Back to the Cretaceous combines history, adventure, and science. Its a book to spur the imagination with its incredible, lifelike photos from the Imax film. This deluxe paper-over-board book features an eye-catching lenticular picture of a T-Rex in awesome 3-D detail on the cover. Take part in the thrill of The Imax Experience RM !
