

## Infini-D Revealed: 3D Modeling, Animation, & Rendering

Infini-D is the #1 selling 3D product for the Mac. This high-quality book/CD uses a cookbook/artbook approach to examine the use of Infini-D for desktop video, package design, illustration, and graphic design. The CD includes a working version of Infini-D 1.0, along with a demo version of 2.0, a gallery of high-end work, and a variety of textures and backgrounds to be used with Infini-D.
