

Fat, Thin, and Other Opposites (Nelly and Caesar Picture Books)

A hardboard book with bright and charming illustrations teaches toddlers simple words for basic concepts and ways to compare things. Nelly is a delightful mouse and Caesar is a funny frog. Kids will love them both! Nelly and Caesar put on different kinds of clothes and display familiar objects to demonstrate comparisons and things kids can do. The sturdy hardboard format with rounded corners for safety will withstand rough use from tiny hands. In this volume, toddlers are shown how to contrast large and small, long and short, open and shut, wet and dry, hot and cold, happy and sad, and many other opposites, with help from Nelly and Caesar. (Ages: infants to age 3)
