

## Princess, Princess

A little princess can only be woken with a kiss - but from whom? There's a princess in a castle, sleeping, sleeping... Who will wake the princess with a kiss? Once upon a time, a little princess loved nothing more than playing happily with her friends - until an uninvited birthday guest spoiled the fun by casting a spiteful spell. But not for long! With soft, dreamlike pastels, Penny Dale offers a sweet fairy tale that celebrates the resilience of friendship and the magic of play.
