

Joseph Unrobed: Holding on to Your Dreams When Life Seems Like a Nightmare

The biblical character of Joseph dreamt two God inspired dreams at the age of seventeen. His dreams eventually came true but not without living through a few nightmares first. Repeated traumatic crises shaped and prepared him for His ultimate role in Gods plan. Could it be God is doing the same in your life? Illustrated by stories from the authors formative years, in a home marred by mental illness, Mark Barnard traces Josephs trail of clothing on a journey from woundedness to healing and from nightmare to dream come true. In Joseph Unrobed, youll delve into the tangled web of betrayal, lies and abandonment that shadowed Josephs life. Youll also discover how God worked to heal him from the relational wounds he received. From one of the Bibles most loved stories youll discover new insight into the problems you may face.

Discover how God can bring good out of the worst of family dynamics. Learn how false accusations can lead to unexpected opportunity. Discern the way God uses disappointment to shape you for the future. Start to get free from unresolved issues that weigh you down.

Realize what it takes to move forward in Gods plan for you. If you are looking to make greater sense of a painful past, gain discernment into Gods work in your life, or help someone else do so, then Joseph Unrobed can help. Study questions at the end of each chapter provide opportunity for personal reflection or group discussion.

Rev. Mark Barnard serves as president of Blessing Point Ministries. Mark has a BA in Bible and an MA in Pastoral Studies. He previously authored *The Path of Revival*, *Diagnosing the Heart of Your Church* and coauthored *The Eighth Letter* among other titles. He is a father, grandfather, and husband of over thirty years. Mark and his wife Jeannie reside in the Atlanta area. For more information visit blessingpoint.org.
