

Connect the Dots Making Sense of the Bible: A 50 Day Journey Through the Bible

You probably know the stories - Adam and Eve, Noah and the ark, David and Goliath, Jonah and the whale. But is the Bible anything more than just a collection of childrens bedtime stories? Connect the Dots is a series that will help you see the Bible in a new light. It will help you see how the stories all fit together to form a beautiful picture of the redemption of mankind. The resources included in this book give you easy-to-read information on books of the Bible, people in the Bible, and timeframes to help form a comprehensive framework for you to understand the Bible in your personal Bible study time as you read and discuss Scripture with your family as you participate in small group studies and discussions and as you listen to sermons. Read and listen in each and every story is a whisper of Gods love for you.
