

The Eight Nights of Chanukah

Incorporating the popular music of 12 Days of Christmas into a Chanukah book, this is perfect for children of any religious orientation. On the first night of Chanukah... begins the familiar tune in a book that sees the wondrous days of Chanukah through the eyes of young child. The child's family grows bigger and bigger as the holiday gets closer and closer. Each night, one new item or person is added to the celebration-and there is always a present for every child in the room! The accumulating text makes this book fun to read (and sing!) aloud while the bright and cheerful illustrations allow a young reader to count each object added. Educational and a joy for adults and children, The Eight Nights of Chanukah is a wonderful book for the whole family to share.
