

Baby Animals: Big Five Animal Picture Book for Kids

Childrens author and veterinarian Noah Clarke presents: Baby Animals: Big Five Animal Picture Book for Kids. This educational childrens book uses colorful pictures & carefully chosen words to teach children about the Big Five African Animals. If your child likes animals and nature then they are sure to be stimulated and enjoy learning all about these creatures from the large African Elephant right up to the endangered White and Black Rhino. This Kindle book is exclusive to the Amazon store. It can be easily downloaded and your child can begin reading and learning within a short time. Jam packed with fun facts, this kids animal picture book takes your child through the Big Five South African animals and will keep your child stimulated and learning, from start to finish. Note: This book has been designed for children aged approximately 7 years and older, who can read the book for themselves. Alternatively, parents can read the book to their kids (of all ages) and enjoy a fulfilling time of child and parent bonding. In addition to providing children with information about these animal babies, this book also explains interesting information about the following: - The African Elephant - The Lion - Cape Buffalo - Leopard - Rhinoceros It was a pleasure to write this kids book about Baby Animals: Big Five Animal Picture Book for Kids, and even more enjoyable to see children reading & learning so much from it. Take advantage of the limited time low price as this kindle book launches and grab a copy for your child today. I am sure your child will enjoy the colorful pictures and the interesting information on the Big 5. Please let me know your thoughts on the book by leaving a review after you read it. More animal books will be released very soon.
