

Just Behave, Pablo Picasso!

An inspiration to anyone whos ever felt judged!One day the world is a peaceful, lovely landscape painting... The next day - BLAM! - Pablo bursts through the canvas, paintbrush in hand, ready to paint something fresh and new.Pablo Picasso may have been one of the most famous artists of the 20th century, but that doesnt mean he painted what people wanted him to paint! In fact, some people hated his paintings, and called them ugly! and terrible! -- something many kids can relate to. But Picasso didnt listen to all those people, and kept on working the way he wanted to work, until he created something so new, so different... that people didnt know what to say!For every young artist whos drawn something other kids think is ugly, this story of rebellion and creativity is sure to inspire.
