

Kate Hudson (Blue Banner Biographies)

You might say that Kate Hudson's destiny was determined at birth. Her mother, Goldie Hawn, a popular movie star, loved to take Kate along to her movie sets. You might say Kate grew up on a movie set and loved every minute of it. Kate's childhood was filled with movie stars but it all seemed normal to her. Goldie and her Pa Kurt Russell raised Kate to appreciate everything she had. Kate was not given everything she asked for. She was always taught the importance of respect, generosity, and family. As she grew older, Kate's stunning good looks mimicked those of her famous mother and directors couldn't wait to cast her in their movies. But despite the fact that fame was exciting to Kate, she never lost sight of what was most important, the love of her family.
