

## Kevin Harvick: Nascar Driver (Behind the Wheel)

Receiving a go-kart as a kindergarten graduation present, Kevin Karvick got behind the wheel early and has been racing ever since. With 11 wins, 5 poles, 51 million in earnings during his still young NASCAR career, Harvick has certainly delivered on the early promise he showed as a 5-year-old in his go-kart. Theres no telling how much father and faster this speed demon will go!
