

The Mighty Street Sweeper

Despite its size, the street sweeper has one mighty job! The street sweeper is a little truck with a very big job. While it is not the largest, fastest, or most powerful truck, a street sweeper does something that no other truck can do: it keeps our streets clean. And a street sweeper is so much fun to watch. Colorful illustrations and an engaging compare-and-contrast text make this picture book a delight for budding truck-lovers.
