

## Kindness: A Treasury of Buddhist Wisdom for Children and Parents (Little Light of Mine Series)

Sarah Conover's collection of traditional Buddhist tales leads us to the kind of implicit understanding of ourselves and others that only stories can provide. Following the Buddha through his various transformations, these clarified and often humorous narrative journeys open the ancient masters' profound and gentle teachings to persons of all ages, religions, races, and ideological persuasions. Over and over, this marvelous book tells us, Let go of your anger, your fear, your greedy desire. Embrace gladness. Follow the path. The stories form a wondrous pageant: of elephants, monkeys, monks, and men working through foolishness toward wisdom and delight.
