

Kristen Stewart: Bella of the Ball!

This rising talent is about to move out of the shadows and into the Hollywood spotlight! Burst onto the scene as Jodie Fosters daughter in the 2001 box office hit Panic Room. With that success behind her, Stewart was cast in Cold Creek Manor, Catch that Kid, and Undertow. But in 2008 Kristens going to break away from the pack when she fulfills every tween/teen girls dream and plays the role of Isabella in the movie version of Stephanie Meyers phenomenally successful Twilight. With buzz about the movie already all over the web, its time for a bio of this rising young star.
