

## La arqueología/ Archeology: A Tu Alcance/ Within Your Reach (Querido Mundo/ Dear World) (Spanish Edition)

Una fascinante y didáctica introducción a la arqueología. El pasado está presente en todas partes, bajo nuestros pies y en los rincones más insignificantes de la tierra, pero nadie es realmente consciente de ello. Sin embargo, con el paso del tiempo, las huellas de la vida humana se han ido superponiendo en capas sucesivas. El estudio de estos vestigios ya ha permitido a los arqueólogos hacer descubrimientos muy importantes sobre la vida de los hombres del pasado y sobre los cambios climáticos que han modificado el planeta.
