

Leaving the Shallows (Dolphin Diaries #9)

Dolphin Diaries is an exciting new series that explores all aspects of dolphins relationships with mankind. After weeks at sea, Jody and her family have arrived at Hervey Bay, off the coast of Australia. There, Jody befriends a gorgeous pink-and-white dolphin named Dawn. Jody notices a neighborhood tourist operation isn't keeping the dolphins' interests in mind and, as a result, Dawn becomes ill. Will Jody be able to convince them to change their ways before it's too late?
