

Because Im Your Dad

Because Im your dad, you can have spaghetti for breakfast, French toast for dinner, and rocky road ice cream in the bathtub. In a text that is both playful and loving, a father expresses his hopes and dreams for a one-of-a-kind relationship with his child. Whimsical monster characters bring the silly and sweet scenes to life and keep the book universal. The book's ending, a moving tribute to the author's father, guarantees intergenerational appeal. Because Im your dad, I will do all of these things for you and more ...because that's what my dad did for me.
