

Where Are You, Little Frog?

Even the youngest children love to solve clues and crack mysteries; its not only entertaining but mentally stimulating, too. This charming rhymed picture book for toddlers is like a playful little game, and every page will have them guessing just where Little Frog might be. Kids will love putting together the pieces and figuring out the answer. As frog happily hops from place to place, each simple, catchy verse and colorfully illustrated spread reveals a little more about his location. There's a man with a floppy hat (a scarecrow); a patch of mud where someone likes to play (an adorable pig in his sty), a sleepy cow eating grass and hay; and a big red building with Xs on the door (a barn). Where is it? A farm, of course! Coming up in future seasons: Where Are You, Little Bird?
