

LITTLE OCEAN BOOKS

Each of these ten stackable books with simple, enriching content and endearing illustrations comes packaged in an adorable tote-along tower! Ten chunky board books feature playful rhymes about different sea creatures. As they read along with the ten stories, kids explore the wonderful world under the sea. Book titles: clown fish, crab, dolphin, octopus, seal, sea star, sea turtle, shark, stingray and whale. Parents can read the books together with their child and then slip them back into the tote-along tower.
