

Little Pirate: Is a Spider an Insect?

Science Made Simple! Whenever kids learn something about the world that they didn't know before, that's a discovery! With Little Pirate, kids learn how to make discoveries. When they join Little Pirate on an adventure, they'll wonder, observe, experiment, draw conclusions, and build on what they've discovered. And the more kids discover, the bigger their world gets! Little Pirate spots a spider aboard the ship. Is it an insect? By exploring the difference between spiders and insects, Little Pirate along with the reader discovers the wonders of the world of bugs. Eleven-spread case bound book with a gatefold back cover and an inset paper wheel that turns to transport Little Pirate into a world of wonder.
