

Up, Down, and Around Big Book (Big Books)

An inviting introduction to the wonder of plants, food, and gardening... Will be a favorite of teachers, students, and home readers alike. KIRKUS REVIEWS From seeds dropping into soil to corn bursting from its stalks, from children chasing butterflies to ants burrowing underground, everything in this vibrant picture book pulses with life - in all directions! Sprightly illustrations set the mood for a rhythmic text that follows nature's course to a feast of backyard bounty.
