

Loongie, the Greedy Crocodile

Saltwater crocodile Loongie, who lives among the mangroves at Walaman Creek in a remote region of Western Australia, is at the center of this delightfully illustrated storybook. Greedy and unwilling to share, Loongie soon learns that if he wants to have any friends, he has to change his ways. Vibrant depictions of the flora and fauna found in the Kimberley region of Western Australia pair with an educational story, making this an ideal picture book for children.
