

## Malcolm at Midnight

When Malcolm the rat arrives as the pet at McKenna School, he revels in the attention. He also meets the Midnight Academy, a secret society of classroom pets that keeps the nutters (kids) safe. There's just one problem: Rats have a terrible reputation! So when the Academy's iguana leader is kidnapped, Malcolm must prove his innocence and show that even rats can be good guys. Illustrated by Brian Lies of *Bats at the Beach*, this engaging middle grade novel will have readers rooting for Malcolm as they try to solve the mystery alongside him.
