

Melissas Octopus and Other Unsuitable Pets

Melissa, Thomas, Betty, and Arthur have one thing in common: extremely unsuitable pets! An exuberant book packed with visual humor. There are certain animals that make suitable pets, like a cat, a dog, or a guinea pig. Then there are others that make, well, unusual pets, like an octopus, a warthog, or an elephant. They're too large, too messy, and maybe a tad too free-spirited with a tendency to break things like tables, floors, and even ceilings. But can you guess what makes the most unsuitable pet ever?
