

Rosalie and Truffle/Truffle and Rosalie

Love at first sight does exist! Rosalie and Truffle fall in love when they meet under an apple tree. But their well-meaning friends and relatives discourage them from meeting again. As time goes by, and Rosalie and Truffle improve their lifestyles with yoga and dancing, they realize that neither material growth nor physical perfection guarantees happiness. At last they return to the apple tree and reunite. Rosalie and Truffle, Truffle and Rosalie is an endearing story of love and trust, with wonderful illustrations. And the story is narrated from both points of view: flip the book over to read the story from the other perspective. This is a charming gift book, perfect for Valentines Day or for any special occasion.
