

The Pouting Preacher: A Guide to Jonah (Guides to Gods Word)

Sometimes the most stubborn practitioners of grace are those called to proclaim it. A missionary enjoying the economic prosperity of his homeland A call from God to evangelize an ungodly nation in the Middle East An inner struggle over whether terrorists deserve grace and what cost A daunting journey to the other side of the world And a whale. The story of Jonah has been hijacked by a certain large fish that may or may not have been real. But what if Jonah has more to do with grace and the gospel than with a whale? What if we have been too hard on Jonah? If God asked me to evangelize ISIS, Id want to go to the other side of the world too. Jonahs story arguably the most well-known of the Minor Prophets, but also little understood reminds us that God loves everyone crafted in his image, even terrorists and ancient empires guilty of war crimes and battlefield atrocities. Maybe the greatest miracle of Jonah isnt the large fish, but the fact that wicked and mighty Nineveh threw herself at Gods mercy, and the Lord forgave her. Maybe we respond to evil with anger and bitterness and hate because we havent seen the power of grace in our own lives. Sometimes the most stubborn practitioners of grace are those called to proclaim it. Every Guide to Gods Word from Start2Finish Books... Employs an engaging, easy-to-read style Discusses key terms and ideas Explains cultural & historical details Contains points of application to close out each chapter Possesses a balanced, reverent view of Scripture Is based on the English Standard Version (ESV)
