

## Mick Jagger

Author Phillip Norman, whose previous bestseller, *John Lennon: The Life*, was praised as a haunting, mammoth, terrific piece of work (*New York Times Book Review*) and whose classic *Shout!* is widely considered to be the definitive biography of the Beatles, now turns his attention to the iconic front man of the Rolling Stones, the greatest rock n roll band in the world. Normans *Mick Jagger* is an extraordinarily detailed and vibrantly written in-depth account of the life and half-century-long career of one of the most fascinating and complex superstars of rock music the most comprehensive biography to date of the famously enigmatic musician. Keith Richards had his say in *Life*. Now its time to get to know intimately the other half of the duo responsible for such enduring hits as *Paint It Black*, *Sympathy for the Devil*, *Gimme Shelter*, and *(I Cant Get No) Satisfaction*. *Mick Jagger* is a must read for Stones fans, and everyone who cant get enough of the serious memoirs and biographies of popular musicians, like Patti Smiths *Just Kids*, *Does the Noise in My Head Bother You?* by Steven Tyler, and the Warren Zevon story, *Ill Sleep When Im Dead*.
