3 Wimpy Diaries in 1 of Minecraft people and animals that became heroes

Story 1: Steve finds an ender pearl when he is camping out with his friends. At first he doesn't know what to do with it, but when he discovers its magical powers, he realizes how much he can mean to the rest of the village by simply finding the logic in manipulating time. Read about Steve, who gets confronted with dangerous bears, endermen, and the dilemma of doing what is right.

Story 2: Noob is awkward; he is weird. Everybody has always known it, but few have sympathized with his alternative brain. Even after fighting and killing a dangerous Elder Guardian, he doesn't get acknowledged by the crowd. But will they finally see his potential after he proves himself to be a skillful competitor as a businessperson? Will he turn his life around with his active mindset? Learn more and read about Noob, a genius in disguise in the Minecraft world.

Story 3: Salem is a spider who hates the rain, but in the tropical climate, you have to create a good web in order for it to be durable. Salem is a little confused when his web breaks. Should he go hunting without webs? Should he attack the humans? Or should he just join a group of spiders? Find out what this Minecraft spider decides after being confronted with an iron golem, an aggressive villager, and a fellow spider who shows him the way.
