

Miracle on Ice: How a Stunning Upset United a Country (Captured History Sports)

The mighty Soviets were the favorites to win hockey gold at the 1980 Winter Olympics. But a team of U.S. college players had other ideas. The stunning upset of the Soviet hockey team by the young Americans has been called the greatest moment in international hockey. And to many people the victory was about much more than sports. Americans had gone through difficult times at home and abroad. Beating the best hockey team in the world and its major Cold War rival gave Americans a sense of pride. One iconic photo captured the impact of that miraculous historic event.
