

Class Pets: A Branches Book (Missys Super Duper Royal Deluxe #2)

Missy's second adventure is just as fun-filled as the first one! This series is part of Scholastic's early chapter book line called Branches, which is aimed at newly independent readers. With easy-to-read text, high-interest content, fast-paced plots, and illustrations on every page, these books will boost reading confidence and stamina. Branches books help readers grow! Missy has BIG plans for the class pet ...well, for three of them! She plans to have a fashion show, create a circus, and even put the pets in their very own parade. But a mean new girl in class, Tiffany, says she's taking the pets home with her instead. Missy enlists the help of her trusty friend, Oscar, to come up with a stellar plan. Just like with everything else, Missy takes the class pets home the only way she knows how--the super duper royal deluxe way! This is the second book in this humorous, full-color early chapter book series.
