

## Multipliers: How the Best Leaders Make Everyone Smarter

Wall Street Journal Bestseller A thought-provoking, accessible, and essential exploration of why some leaders (Diminishers) drain capability and intelligence from their teams, while others (Multipliers) amplify it to produce better results. Including a foreword by Stephen R. Covey, as well the five key disciplines that turn smart leaders into genius makers, Multipliers is a must-read for everyone from first-time managers to world leaders.
