

## My Little Book of Cars

A charming collection of photos all about cars and things connected to them. This lovely padded book introduces small children to a multitude of features relating to cars. Colorful photographs reveal close-up details ranging from seatbelts, gas pumps and car seats to full images of racecars, minivans and tow trucks. One- to three-word captions in large type describe the images and provide children with the opportunity to learn new words. Cars and their details featured in this book: Everyday cars such as the sedan, minivan and police cars Sports cars, stretch limousines, race cars, red cars and blue cars Classic and vintage cars, tractors and farm vehicles Illustrating a fender bender and tow trucks Close-up images such as an exhaust pipe, steering wheel and under the hood. Cars are everywhere and we use them every day. Their variety of shapes, colors and sounds makes them a perennial favorite of children.
