

My Own Very Quiet Cricket Coloring Book

The Very Quiet Cricket is now available as a coloring book! Perfect for both reading and coloring, this interactive version of Eric Carle's classic story follows a lonely cricket who's looking for love. As all the different insects go by, he tries and tries to make a chirp, but it isn't until he sees another cricket that he can truly sing. Special artwork made just for coloring and blank pages at the end for your own drawings give this classic story new life. A sure-fire hit for creative children everywhere.
