

My Penguin Osbert in Love: Midi Edition

Joe's first-person narrative is childlike, yet wonderfully evocative... The artwork glows with color and warmth. A winner for winter storytimes. BOOKLIST Joe couldn't be more surprised to find his friend Osbert knocking at his front door AWOL from the zoo with an invitation to a South Pole extravaganza under his wing. Since penguins can't fly, and Joe has a helicopter from Santa, the boy is soon piloting a bunch of penguins on a long journey south. But when Osbert ignores the southern lights and only has eyes for a penguin named Aurora, Joe starts to worry. Will he ever get back in time for his own family's Midwinter Bash?
