

My Really Cool Baby Book

Introducing the coolest baby book ever! My Really Cool Baby Book is the first baby book designed with today's busy parents and alternative families in mind. Illustrated with Todd Parr's trademark bright colors and irresistible characters, this easy-to-use guide features multiple choice questions, fill-in-the-blanks, and checklists for baby and parent (including single, same-sex, and adoptive parents) to complete together. In addition to pages for commemorating baby's first words, handprint, footprint, and lock of hair, this innovative book also offers families a chance to record funny baby memories such as first burp, silly faces, special features (dimples, outie belly button), and more. Plus, there's a cool growth chart and 50 colorful stickers inside!
