

My Very First Easter Playtime: Activity Book with Stickers (My Very First Playtime)

An activity book with stickers to keep children entertained leading up to and throughout Easter. This fun activity book includes on-the-page puzzles, games, and stories, with a page of stickers for completing the activities. Using Easter symbols and spring time animals including bunnies, birds, bees, butterflies, chicks, eggs, flowers, and lambs, together the activities help to explore the reason for the season, touching on the Easter-time themes of spring and new life. Activities include matching pairs and shapes, spot the difference, and counting, as well as a simple board game to play and a story and poem to read.
