They so wish they could find a park ranger. There are coyotes, snakes, wolves, hawks and owls. They will catch those bunnies as they prowl. Here and there the little bunnies run. Soon they could be food and that would be no fun! As soon as those little bunnies were tardy their mom set up a search party. All ends well, safe and sound. For those little bunnies were found. They were thankful and with hearts full of joy. As they vowed to never be bad little boys.
