

Not Prince Hamlet: A Life in Literary and Theatrical London (Oxford Letters & Memoirs)

Michael Meyers translations of Strindberg and Ibsen have often been described as definitive, as have his biographies of both writers. His Strindberg translations made him the first Englishman to receive the Gold Medal of the Swedish Academy, and his life of Ibsen won the Whitbread Biography prize. He has now turned his attention to his own life and his friendships with some of this centurys most famous literary and theatrical names.
