

Jurassic World for kids: The Jurassic Era: A Time Lost (Fun Book for young childrens book 2)

The Jurassic Era: A Time Lost There was a time when the world was not as you know it today. There were no buildings or cars. There were no computers or fast-food joints. But there were huge creatures known as dinosaurs. While dinosaurs in the Jurassic Period were ferocious, the ones in this book are not. They are friendly and adorable, and they are ready to take you back in time. This book will introduce you to the different creatures during that time, what they ate or did. You will surely have fun reading the story. Thanks for downloading! FREE For Kindle Prime Or Kindle Unlimited Members
