

Nubs: The True Story of a Mutt, a Marine & a Miracle

Nubs, an Iraqi dog of war, never had a home or a person of his own. He was the leader of a pack of wild dogs living off the land and barely surviving. But Nubss life changed when he met Marine Major Brian Dennis. The two formed a fast friendship, made stronger by Denniss willingness to share his meals, offer a warm place to sleep, and give Nubs the kind of care and attention he had never received before. Nubs became part of Denniss human pack until duty required the Marines to relocate a full 70 miles away--without him. Nubs had no way of knowing that Marines were not allowed to have pets. So began an incredible journey that would take Nubs through a freezing desert, filled with danger to find his friend and would lead Dennis on a mission that would touch the hearts of people all over the world. Nubs and Dennis will remind readers that friendship has the power to cross deserts, continents, and even species.
