

## Teacher Created Materials - The Five Senses - Time for Kids Nonfiction Readers - Level 3.7 - Grades 2 - 5

Our senses help warn us of danger and help keep us safe. Learn about the five senses and how they help us enjoy the world around us in this engaging and fascinating nonfiction book that features detailed images and diagrams, informative text, and riveting facts! About Shell Education and Teacher Created Materials Rachele Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
